Firsts

Blackburn South **201** **&** **0/46**

Mil Radnovic	3/31
Mick McKay	3/72
Matt Meehan	3/46

Nunawading **161**

Scott Millar	40
--------------	----

Nunawading won the toss and chose to field first.

Matty Meehan and Mill opened the bowling and both got early wickets to give us an excellent start. From then on we kept making regular inroads with the ball with the help of some excellent bowling and very ordinary batting.

Only one of the batsmen from the other team managed to stay at the crease for some time but we finally bowled Blackburn South out for 201 just after tea.

Our batting also started very brightly with Brad and Scott Millar opening and both getting good starts yet again. But again they were both unable to capitalise on their starts. From then on wickets were lost consistently leaving Nuna 4 for 100 at the end of the day.

The next Saturday did not start any better when we lost Karan and Mill very early. From then on the wickets kept falling and no one was able to establish themselves at the crease. In the end Nunawading fell 40 runs short.

Man of the match: Matty Meehan

Seconds

Nunawading Church of Christ 388

Neil Parker 3/56 off 21

Nunawading 117

Nathan Larkins 64

Matt Furlong 21

Groundskeeper Willie lost the toss on a glorious day for cricket. The godfearing players from Nuna Church of Christ decided to have a hit...and didn't the bigfella upstairs smile on them. After being 0/120ish at tea the Christians went bang & ended up all out for 388 after 79.2 overs. Quite possibly the longest day of cricket ever. How Mick Fairweather didn't get a bowl is amazing...clearly the groundskeeper made a mistake there.

Great bowling efforts from Neil Parker & Scott O'Neill...but clearly the pick of the bowlers was Scott Allen who chimed in with two. Some of the best off spin & drift bowling seen on this continent...perhaps even the sub continent.

Day 2 rolled around & at least 2 thirds of the side were praying for the heat rule...if our opposition had prayed for it they'd have got it...there must be something to this church business. Mick Fairweather & Scott 'Harbhajan' Allen strode to the crease & saw off 5 maidens in a row...this is becoming a habit for young Fairweather. Then it happened, the slovenly umpire started to get bored & decided to give 'Bhaji' out LBW. Terrible decision really.

No excuses after that really. Would have been a much earlier finish if not for the heroics of Nath "I love batting in adversity" Larkins who dug in hit a high quality 60...top shelf knock. Special mention to Matt Furlong who also showed some metal & got us through to tea. Also to Neil Parker who again carried his bat to a not out...when will the club recognise this great mans potential??

Bottom line...the somewhat mighty 2's were beaten like red headed step children.

Thirds**Nunawading****7/383**

Darren Garrett	182
Paul Bradley	45
Stuart Hamilton	35
Jeff Woolley	25
Phil Lord	21*

Park Orchards**243**

Paul Bradley	3/50 off 18
Derek Clark	3/41 off 15
Phil Lord	2/47 off 19.3
Ken McNabb	1/11 off 4
Chirag Joshi	1/27 off 6

We were playing Park Orchards, won the toss and batted. Derek and Stu opened up and put on 39 before the Skipper departed for 19. Jeff joined Stu (and his runner) and took the score to 90 before Stu left for 35. Westy came and went for 14 which enabled our new player Darren Garret have a bat. Wool was out for 25 when the score was 146.

Braddles then joined Harry and he departed 173 runs later having contributed a well made 45. Jones came and went then Darren was finally out for a brilliant 182. Phil Lord contibuted a fine 21 and with Ken McNabb took the good guys to 7/383 cc.

The second week we opened with Braddles and Derek and they soon had a couple of Park Orchard batsman sitting down with nothing to do. Wickets fell on a regular basis with the Park Orchards Captain providing the most resistance.

Helped by some dubious umpiring decisions, including a blatant stumping (unlucky Mal), and an edge to first slip both given not out, they managed to last until the 76th over before being all out for 243. All the bowlers bowled well, the fielding was a mixture of brilliance and cardboard cutouts, special thanks to ScottyO for some subbing.

Man of the Match: Darren Garrett.

Fourths

Doncaster	105	&	174
Michael Cardamone	6/38		Michael Cardamone 5/95
Craig Thompson	2/19		Steve Morilly 2/39
Steve Morilly	2/20		

Nunawading	5/172 dec	&	0/126
Paddy Mitchell	59		Michael Cardamone 57*
Michael Cardamone	39		Paddy Mitchell 30*

The boys ventured to Doncaster who were sitting bottom of the table with a focus to gain maximum points to keep a slim finals chance alive. Missing in action was Darren Deal who had fatherly duties to perform on week 2 with his wife going in to labour with their first child (at time of writing I have no confirmation of the birth) – but congratulations are in order – welcome to fatherhood.

We won the toss and decided to bowl which turned out to be a master stroke by the skipper after we had rolled them in 27 overs for 105. Carders did the damage with his crafty off spinners netting 6/38 with Thommo and Steve Morrilly each picking up 2. Paddy Mitchell opened with Carders in the run chase to ensure points in the first week – and after 20 overs we had amassed 5/172 with Paddy's wicket bringing the declaration after he was out for a well made 59, Carders being dismissed earlier for 39. The other batting highlight was Steve Morrilly who lost the ball with a massive 6 over mid wicket.

We then had 11 overs at them and they took the long handle being 2/80 overnight. Second week came and once again we rolled through them - all out for 174. Again Carders was the pick with 5/95 (a touch expensive) and Steve picking up 2/43. Once again it was the Mick and Paddy show – Nuna cruising to an outright making 126 in just 16 overs without the loss of a wicket – Carders 57no and Paddy 30no.

Paddy is congratulated for being on the field as either a batsman or fielder for every delivery of the match – lucky he is so fit. Man of the Match – and yes I am as sick of typing this name as you are of reading it – Carders.

Finals chance still alive and good feeling amongst the boys – lets carry this form through the rest of the year.

Separated at birth?

Did You Know?

The share markets here and overseas have the greatest impact on your superannuation returns. It has been a trying year and some negative returns have been seen. But occasional bouts of negative returns are the price we have to pay for the higher returns growth assets provide over the time. Switching to cash may make sleeping at night easier when markets are falling, but it's likely to ensure lower long term returns. The key is to adopt an appropriate long term strategy and stick to it!
