Round 11 2008-2009

Firsts

Nunawading 210

Brad Vanderwert	61
Scott Millar	36
Koran Chandra	25

Mulgrave Country Club 8/200

Matt Meehan	3/33 off 10
Mil Radnovic	2/45 off 10

Nunawading won the toss and elected to bat first

Nunawading started their batting in positive fashion with Brad and Scotty putting up an excellent opening stand. Brad made a well made 60 while Scotty kept the scoring rate ticking ova with a well made 35. At drinks we were in a very good position of 105 for none. However after drinks a couple quick wickets were lost, which brought Dave and Karan together who put together a good quick partnership to keep the runs flowing.

However towards the end of our innings the wickets kept falling and the middle and lower order were unable to take advantage of an excellent start provided by our openers. At the end of the 40 overs Nunawading ended up on 210.

The bowling experiment did not exactly pay off with Corey going for a few too many of his first over. But then Mill and Matty got us back on track with Matty taking a wicket from his first over. Even after the early breakthrough the opposition side were still on top on 100 for 1 after the drinks break. But then the last 20 overs Nunawading bowled and fielded excellently to bowl the opposition out 20 runs short of the target. Matty and Mill again got crucial wickets, and a couple of run outs helped us get over the line.

In the end a well deserved win.

Man of the match: Brad Vandevent

Seconds

Nunawading	183	Mulgrave Country Club	
Kevin Rosemeyer	71	Will Dalton	5/17 off 10
Mick Fairweather	21	Scott O'Neill	2/39 off 10
Neil Parker	20	Neil Parker	1/18 off 6
		Paul Bradley	1/26 off 5

The day started with hope, there was smoke haze everywhere & the smell of (wait for it) smoke was thick. Someone raised the question "Is it healthy to play in these conditions?" My heart missed a beat with the hope of having cans watching TV in the rooms...then reality hit...the game was on.

After the initial disappointment passed, focus switched to the matter at hand. Will, like every Friday & Saturday night (let's be honest, probably most days too) tossed like a pro & decided to have a bat (pun intended). Matty Deas & Mick Fairweather then put the pads on and walked the green mile. Matty took the first ball, he was thrown by the interesting action that ran towards him...it was too much for him & he nicked one to first slip. That brought Kev 'The Warrior' Rosemeyer to the crease, a moment that I'm sure still makes all at Mulgrave Country Club cringe & curl up into the foetal position. Kev & Mick (sounds like an aussie comedy duo) put on a healthy partnership (the amount escapes me) with some crisp running between the wickets. The fielding side couldn't believe the turn of speed these two showed. Finally Mick chanced his arm once two often & spooned one to point. Kev then continued on his merry way with Matty Furlong providing a more than handy partner. Kev finally fell for a extraordinarily well made 71. Not many more highlights after that, although it was well funny watching the Mulgrave boys act like StKilda supporters & tearing strips off each other. Wiggle, again, showed the selectors that he's a quality all rounder, chasing red ink at the end to get us up to 183. Special mention to Scotty O who tried to help Wiggle get the red ink by attempting to farm the strike & keep the great man at the non strikers end.

After a late afternoon tea, which contained some kabana & cheese...awesome, we strode to the middle to unleash the unit that is Wiggle on the two pre pubescent openers from Mulgrave. Fair to say, the poor little fella that decided to face the first pill will be giving the nappy san a good run after two first up bouncers from Wiggle had the 'turtles head' well & truly out...unfortunately, the little bugger could bat a bit. All bowlers contributed well, especially Mick Fairweather who was again highly underbowled...only one over this game, TRAVISTY!!! Greenskeeper Willy again lead the way to take another 5 wicket haul & took his season tally to 20...he's walking proof that ranga's can still prosper in society despite needing an umbrella to walk in the sunlight. Another consistent effort from Scotty O with the ball...he's fast becoming Mr Reliable with his aggot in his hand.

Special mention to Paul Bradley who was hot on the sledge all day...really giving a bit of curry to the pre pubescent poor mans stkilda supporters from Mulgrave Cuntry Club.

Oh yeah, we won...bowled them out for less than we made. Simple game cricket.

Thirds

Syndal 144

Phil Lord	5/17 off 7
Ash Kantali	2/14 off 7

Nunawading 126

Derek Clark	39
Jeff Woolley	30

Nunawading hosted the top team Syndal and after losing the toss and acknowledging a minutes silence for the bushfire victims took the field.

Ash Kantali, playing his first game for the Third XI, took the new ball and struck early when "Disco" Stu Hamilton accepted a sharp chance at first slip and when Derek Clark struck soon after Nuna were looking solid. Dave Cowell and Phil Lord then bowled a very tight twenty overs with regular wickets falling and Nuna looked the goods rolling the flag favourites for a very gettable 143. Phil Lord with a "Michelle" (a five for) the pick of the bowlers in an all round solid effort.

Not the start we wanted with the bat but a solid partnership between Jeff Woolley (30) and Derek Clark (39) saw Nunawading in a solid position at 3/93 needing only 52 runs off 14 overs with seven wickets in hand. A monumental batting collapse of 7/33 saw Syndal get the points and a very disappointed Nunawading team as the only losing side for the club in the round.

Mal West was inspirational behind the stumps with two leg side stumpings and solid glove work for the entire 40 overs.

Fourths

Nunawading 7/203

Michael Cardamone	79
Paddy Mitchell	36
Anth. Montalon	26

Blackburn South 159

Glen Mackie	4/32 off 10
Dylan Jellett	2/19 off 5

Nunawading lost the toss and was sent into bat. Michael Cardamone and Steve Morilly started off in good fashion opening the batting, but unfortunately, our top three batsmen were given out lbw. However, this did not hinder Cardamone's form with the bat and having Paddy Mitchell, the proud father of a newborn daughter, at the other end, both players played their natural stroke scoring willingly against a young bowling side.

Michael top scored with 79 runs and Paddy with 36 runs, as well as help from Anthony Montalan's quick 26 runs and Dylan Jellett 16 runs, to give Nunawading a reasonable score of 203 runs to defend after the 40th over.

Nunawading's fielding did not have a good start with miss fields and drop catches early in the innings. However, Nunawading continued with the battle and eventually wickets started to fall. There were signs of brilliant fielding among all the players especially with Steve Morilly's freakish run out, flicking the ball behind him while fielding Cover, which resulted in the non-striker being run out. Steve backed himself up once again, teaming up the Wicket Keeper, which resulted in another run out. Simon Keele taking an excellent catch in Mid-Wicket and making a ground move beneath him.

Glen Mackie, who was feeling a bit under the weather, was still able take 4 wickets, with Dylan Jellett taking 2. While Michael Cardamone, Steve Morilly and Craig Thompson took 1 wicket each.

There were great tactical decisions made by the leadership group that resulted in Blackburn South being all out for 159 runs after the 37th over.

Did You Know?

The share markets here and overseas have the greatest impact on your superannuation returns. It has been a trying year and some negative returns have been seen. But occasional bouts of negative returns are the price we have to pay for the higher returns growth assets provide over the time. Switching to cash may make sleeping at night easier when markets are falling, but it's likely to ensure lower long term returns. The key is to adopt an appropriate long term strategy and stick to it!
