

Nunawading Cricket Club - Round 2 & 3

Welcome to season 2011 to 2012

Presidents Report

What a great performance by the 1st and 2nd eleven last round, with both teams winning convincingly. From an individual perspective the highlight would have to be Matt Meehan's hat trick and 7 wicket haul. From an overall team perspective this result represents the value of a solid pre-season, and also weekly training sessions that are based on match situations.

This momentum and positive vibe needs to be consolidated with victory in the upcoming game. The 3rds are also around the mark at the moment, and the 4ths require some regular core players.

Simon Keele's One Day Side has not seen much cricket thus far however seem to have a really good squad of players. I believe that as the season progresses, the One day Side will become stronger.

It is not beyond our collective abilities to have the 1sts to 4ths in the finals this year.

From a junior perspective you would all have seen an email from Dave Cowell requesting assistance with the junior program. I want to acknowledge the work Dave and Glen Mackie have done in ensuring our junior program is alive, but also grows. These junior players now are hopefully our senior players tomorrow. As an example the 4ths have a 13, 15, and 16 year old in the team. If you are in a position to assist in any way please contact Dave. You may want to consider helping with a mate.

Off field we need to be clear on a few things.

Our liquor license does NOT permit the consumption of alcohol on the balcony. Please ensure that any beers etc are consumed inside the rooms.

If you are bringing a family member or friend to the club, they must be signed in to our Guest Book. In addition, captains of home teams must place the opposing team list in the visitor book. I know it sounds unusual but it is law and we must comply or risk losing our liquor license.

One last thing, and it is a Derek Clark chestnut... Please pay your subs as soon as possible. If you cannot find the full amount, please talk to Derek as there are other payment options available

At The Bar

It's good to see the season has started just like most others with the majority of games being washed out in round 2. However this proved lucky for some of the Nuna boys as it allowed them to enjoy a few beers and watch Lordy put on a bowling display in the 2s. Unluckily though he was unable to get a hat trick for the crowd and was fined for this.

The fine board is up and running again for this season and is named after last year's winner Scotty O. The fines have been coming in thick and fast and we almost have a full whiteboard. So far we have collected \$10 worth of fines with Cmac being the first to pay for his ridiculous fashion choice of wearing $\frac{3}{4}$ shorts to cricket training. Scotty O and Lordy are leading the way with the most fines. With Scotty's highlight being fined for bowling to the opposition in the nets before the game. While Lordy was fined for saying he had dignity. We have also discovered a worrying trend at Nuna with a number of players being fined for watching Gossip Girl; these players include Brags, Wig, Gareth Croft and Mitch Clark.

Last week was also Willy D's 27th birthday. A number of Nuna boys joined Will and his mates out at Precinct in Richmond for a few beers. One person in attendance was Honie who still wouldn't shout any drinks even though he is

receiving a large paycheck from Blacky South. However this didn't stop him telling everyone how well he was going with both bat and ball. Also spotted was Monty trying to chat up Lordy's sister, this resulted in Lordy cuffing Monty as a friendly reminder to watch himself. After a good night a few people didn't pull up the best including Willy D's girlfriend Jac who looked like she wanted to spew up the previous nights shots at lunch on Sunday.

Boys make sure you start saving your cash as we are looking at going to the Gold Coast this season for cricket trip. One idea is to catch a Gold Coast Suns game while we are up there. Simon Keele has kindly volunteered to organise this trip for us.

Also congratulations to one of our favourite Nuna boys Mick Fairweather and his wife Bec on the birth of their first child Archie. However Mick you having been fined for not naming him after the great man James Hird.

Coaching Corner

Just ask any bowler, having bowled a lengthy spell on Saturday, how they feel on Sunday... Here are some tips to ensure you can finish your day still standing.

Bowling - Looking After Your Back

A sore back can be a common problem for cricketers, particularly if you're a young seam bowler. Bowling fast or even medium pace is a very dynamic activity, and even the best professionals in the world such as Glenn McGrath and Andrew Flintoff suffer from back soreness from time to time.

For young and developing seam bowlers, looking after your body - especially your back - is the number 1 priority, more important than whether you can swing the ball or bowl a good line and length. Though bowling quick can be hard work on the body, there are a number of steps you can take to minimize your chances of picking up a back injury.

Good Bowling Technique - It's vital to reduce the twist in your spine that occurs when you bowl a delivery. Ideally, you should have the hips and shoulders in line when you land after jumping into your bowling position. If you haven't, the chances are you may have a mixed action and this is likely to cause problems. Seek the advice of a good coach and get your action videoed to see what changes you may have to make to your bowling action.

Don't Bowl Too Much - For young quickies whose bodies are developing, particularly during the growth spurt years 12-16, bowling places a lot of stress on the body. If you're a good young bowler, you might find yourself practicing with your school, club side, county, representative XI etc. all in the same week. This can be especially tough on your body if the training is taking place indoors, where the hard surfaces have very little give, meaning all the force generated when your feet make contact with the floor goes straight back into your legs and back. Adopt a sensible approach to how much bowling you do, particularly if you're practicing indoors.

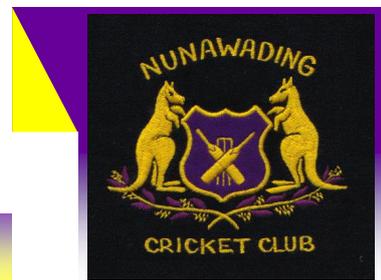

Get Fit - Fast bowling is a very dynamic activity and as such places great strain on your body, particularly in the 'core' region of your back and stomach. Try to develop a good base of aerobic fitness by running, swimming, cycling, rowing etc. whilst strengthening the vital muscles around your body's core. Ask your sports teacher or coach for advice on how to improve your core stability - there are lots of simple exercises that will really help you prepare your body for the rigours of fast bowling.

Good Equipment - So often young bowlers turn up for a practice session wearing a pair of fashion trainers, thin socks and a flimsy t-shirt. Footwear is the most important item of clothing in a fast bowlers kitbag, whether you're training indoors or playing in a match. During the off-season, use a strong pair of fairly new running or cross trainers. If you can, rotate the shoes you bowl in indoors to prevent wearing out a particular part of them. For bowling in outdoor matches, buy a good pair of bowling shoes or boots.

Get some good, thick cricket socks and wear them every time you bowl. In addition, it's a good idea to buy some absorption inners to put in your trainers. These are excellent at reducing the amount of force returning into your body when your feet land. Have a spare t-shirt handy if your original one gets wet with sweat, and try to wear a sleeveless sweater when you bowl. Both will help you keep your back warm.

Warm up, Stretch, Cool Down - It's very easy to arrive at a training session eager to start bowling straight away. If you do this, you'll be bowling without having prepared your body for the activity ahead. Just 5 minutes of warming up can reduce the chances of you picking up an injury. Go for a light jog or do some shuttles, making sure you're mobilising parts of your body needed for bowling such as your shoulders and legs. Then, do some core stretching, loosening your back and stomach. These exercises are best done on the floor - ask your teacher or coach for some advice here. All of the above are commonsense ideas that are easy to implement.

Remember, it's no use being a fantastic fast bowler in your teens if by the time you reach 20, you've injured yourself to the extent that you can't bowl any more. Follow these guidelines and you can be a great bowler for the rest of your cricket career.

1 day Side

The club is aiming to field a 1-day team in 2011/2012, in addition to the 4 teams fielded last season. If you are interested in a game but are not available every week and would like to play a few Saturdays please contact David Cowell on dgcowell@live.com.au

Community Support/Families who Care

The Club would like to announce the 'Families who Care' initiative to support club families in need. If you are aware of an individual or family in the Nunawading CC community who needs help (e.g. due to illness or temporary financial stress), please let me know. Similarly, if you are interested in joining a roster of volunteers able to assist (by doing things like preparing meals or babysitting etc, please also let me know). The scheme will be totally anonymous and the idea is that as soon as a family need is determined, the support roster will be engaged to assist where possible.

Pre-Season Raffle

The Club is running a major fundraiser by way of a Pre-Season raffle. You will find a book of tickets enclosed and, as you will see, the prizes are all great. We would be very appreciative if you could assist by selling a book (or more). The funds will be used to contribute to new air-conditioning in the social rooms. This is a key requirement as the rooms are not a very nice place to be in the middle of summer without a cooling system. The existing 30 year old unit is broken and it is not able to be repaired. Your generous support is appreciated and, if you'd like any more tickets, please let me know.

Match Reports - First XI

Round Two

Nunawading 0/0 drew Glen Waverley Hawks 168

Matt Meehan	3/16
Glenn Scales	3/31
Tim Sproule	2/30

Playing @ home against glen waverley hawks we lost the toss and were sent into the field. With the strength of the hawks line up who posted 170 plus for 3 last week early wickets were the key.

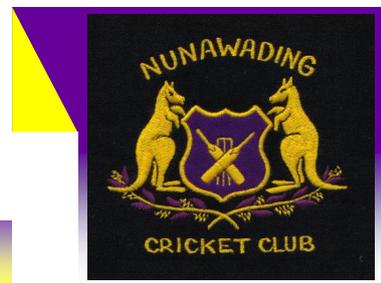

With another great effort with the ball and in the field we had 2/1 by the 3rd over. A hawks fight back moved the score to 55 before Scales took the vital wicket of their big hitting left hander who had made 40 of those runs.

Wickets fell consistently all day with scales taking 3, sproule again doing the job with 2, myself and braggys also managed to get a couple with braggys at the end somehow moving a water logged ball a mile both ways causing havoc to eventually have the hawks all out for 168.

Another really good effort by all in the field backing it up from round 1. Unfortunately we were unable to get enough water off the pitch at the top end for the opposition to feel safe to bowl on having a disappointing drawn result.

A big thank you to all those like maxie and dilan who helped us in the attempt to get a start.

Matt Meehan.

Round Two

Nunawading 8/262(cc) drew Glen Waverley Hawks 8/180 cc)

Nathan Larkins	116	Andrew Lord	4/22
Andrew Ward	29	Mick McKay	1/11
Mick McKay	22	Will Dalton	1/29
		Steve Morilly	1/51

The Twos headed down to Glen Waverley and after winning the toss, went in to bat.

After losing a quick wicket in the first over, Nathan and Dave knucked down and put together some superb overs to build the foundations for a great batting display, not seen at the club for some time.

Nathan led the way all day and led the way, building a fantastic score of 166. Nathan batted his entire innings in his hard to get out fashion, never looking like losing his wicket.

All the other bats supported along the way, with some solid knocks from Ward, Rowe, Morilly and McKay.

Lordy, demonstrated why he is now Mr Dignity with a quick 15 at the end of the innings. Scotty O not required for the second week in a row.

Nunawading batted the full 80 overs and posting a tough to beat score of 262.

The second week, saw the heavens open, which fortunately once finished the ground and pitch came up well allowing the 2s with a straight forward target, bowl Glen Waverley out within the reduced overs for a win.

The Nuna Bowlers started off well, and with both openers having a dip at the target, the game was on.

Despite some opportunities, Glen Waverley were 0/80 at tea.

Needing to break the partnership, the ball was given to Mr Dignity, who snagged the first wicket. This was followed shortly after by Willy D gaining the second wicket and a sudden change in the game.

Mr Dignity then continued on with his destruction of the middle order and with the help of Morilly and McKay, Glen Waverley were suddenly 8/160 with several overs to go.

Unfortunately a combination of rock solid batting by Glen Waverley and the rain, saw Glen Waverley bat out the innings and force a draw.

Nunawading bowled well, fielded well and attacked the ball all day, applying pressure and never giving up for the entire innings.

MOM - Nathan Larkins. - with special mention to Mr Dignity.

Extra thankyou to all 1s and 3s players who headed down to support the guys.

Match Reports - Third XI

Round Two

Nunawading 5/157(cc) def Mitcham 7/151 (cc)

Kev Rose'meyer 90 no

Glenn Mackie 3/55

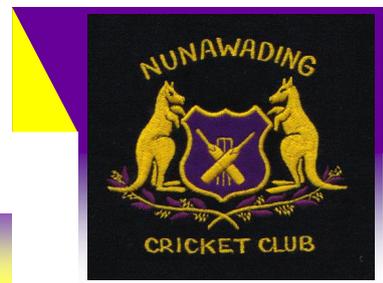

The ideal for the club is to field as many sides as possible to offer cricketers the chance to play in all grades. We debated whether we would be able to field a fourth side two weeks before the start of the season when we had less than 10 people attend training. The committee decided to go with 4 sides with the knowledge that selection night was going to be crap for many games if we had players pull out. Sure enough, we struggled to field a fourth side given blokes had legitimate reasons for not playing. Selection was farcical right up to Saturday morning. In the end we played with 10 players with Ken McNabb's son Nicholas kindly assisting though not having played, Phil Lord playing with a sore back, and Luke Croft offering his services as a fielder despite his recently operated on knee. Let's just say I was p'd off but it made me determined we would win.

The bowlers did a very good job. Mitcham had two senior players who were decent bats and at one stage they got up to 1 /88. Phil Lord and Ken McNabb pulled back their run rate with good tight one day bowling following on from Thommo's 7 overs for 18. Max has bowled better but can be excused his rustiness given he works interstate during the week. His regular wickets also helped pull back the run rate and we kept them to 151. We could have done with that extra fielder as we had 4 - 5 crocks in the field as it was but it was a good effort. Derek was rewarded for his whole hearted fielding with 2 wickets at the end.

The chase was managed very well. There was always a partnership and we didn't lose wickets in groups. In the end we got there with 3 overs to spare with all batsmen contributing to the win. It was an excellent win given the circumstances. The team focused on what they could control and did not worry about other factors. A special thanks to Nicholas and Luke for assisting.

Round Two

Nunawading 133 def by Koonung Heights 6/137

Stu Hamilton	50
Glenn Turner	25
Avid Longstaff	22

David Johnson	3/33
Mitch Clark	2/44

After batting one man short on the first day and posting 133, I was confident if our bowlers were disciplined in bowling line and length and to one side of the field, we would give this game a shake.

Unfortunately, the first 15 overs was the opposite of what was required. At tea Koonung Heights had the game well within their control.

As play resumed I asked that we not "Gift" them the game and at least make the opposition earn the victory. Dave Johnston and Mitch Clark bowled well in tandem and took 4 quick wickets.

Dropped catches at critical times also hurt, but really the first 15 overs in the field sealed our fate in this game.

As a team we need to be switched on from the start and disciplined particularly bowling to one side of the wicket, this was the difference between winning and losing.

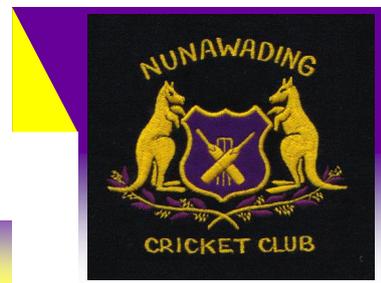

Thank you to Stu Hamilton and Dave Longstaff.

Congratulations Corey on your first Senior game at 13 years old.

Nunawading 8/188 (dec) def Burwood District 70 & 7/185

Nathan Larkins	73	Steve Morilly	2/13	&	5/58
Steve Morilly	37	Will Dalton	2/14		
		Neil Parker	2/20		
		Scott O'Neill	1/15	&	1/8

Round 3 saw us back at home against Burwood Districts, a side who's firsts had dealt our two's some severe thrashings over the last couple of years. This time however, with both teams fielding seconds sides we began on an even playing field.

Bowling first, we were on top from the start taking wickets and restricting runs in the first session up to drinks. After drinks it continued, with wickets falling more rapidly and after just 40 overs we had bowled them out. Wickets were shared between all bowlers and the standard of fielding was where it needs to be.

Heading out to bat we wanted to knock off the runs and have a lead after day one. We did both but unfortunately lost 5 wickets along the way. Nath and Steve not out overnight.

Day 2 saw us chasing quick runs to build a lead and then have another bowl for about 60 overs to see if we could snag 10 points. The quick lead came about with Nath and Steve scoring nicely and with the help from Mick McKay at the end we declared with a lead of 120ish.

Bowling didn't quite go as planned with a couple of their batsmen hanging around for long enough to ensure we were not going to get the outright. Fair to say their efforts had flattened us a little, until we got the breakthrough that pepped us all back up.

Enter Steve with the ball and we were able to have them 8 down at close of play. It was great effort to find that spark again and finish the day on a high.

All in all a convincing display and with 2 wins and a draw from the first three games we are giving ourselves every chance to play finals.

MOTM – Steve Morilly

7 Wickets for the match and 37 with the bat.

Match Reports - Third XI Round Four**Nunawading 7/160 def by Vermont South 168**

Kev Rose'meyer	83	Simon Keele	5/51
Matt Jenkin	19	Grant Croft	3/25

Another Saturday, and more multiple team changes. With the one day side having a bye we were able to field a thirds side. Thanks to Simon, Matt, Jim and Marty for making themselves available.

Grant Kennedy a former junior at the club turned up at training on Thursday which was enough to guarantee him a game.

We bowled first and did an excellent job to keep the top side to 168 given the inexperience of the team. They had 2 very good bats who could have set us 240 to win. One of them was out when Grant came on for a change of pace. His first ball was smashed to fine leg where Matt took a blinder in his left hand while sliding to ground. Grant took 3 wickets.

Simon cleaned up the tail with 5 and Phil Lord was his usual dependable self keeping it tight with 10 overs for 17 runs. Derek and Matt got us off to a solid start. Marty HODgkins did well in his first game to accompany me on a good partnership.

We were 2 /98 after 20 overs but then my feet went on me. I couldn't put any weight on the front foot and they slowed the scoring after that. We ended up 8 runs short but it was a meritorious effort by all.

Kev Rose'meyer	71	Phil Lord	2/30

This was a disappointing result. We had a far stronger side.

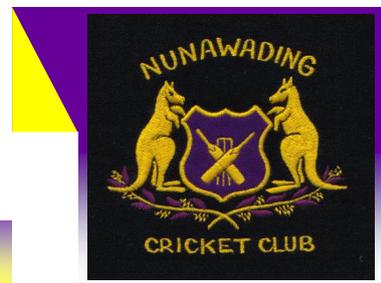

Batting first we made a competitive score of 158. It could have been higher but it should have been defendable.

Monty and Chris James looked promising. Max did very well at the end to make a good 27 when the team needed a contribution.

The less said about the bowling the better. It was a very poor display with little line or length bowled on a consistent basis.

Chris bowled well in his 7 over spell and Wardy bowled line and length at the end. But they smashed us.

Rob Legg	14	Dave Johnson	5/66
Glenn Turner	13	Mitch Clark	2/61
Patt Mitchell	46 (2nd inngs)	Rob Legg	1/8
Rod Jones	34		

East Box Hill batted the 1st week and we only had 8 players available.

There were plenty of spaces in the field and the top order batsman certainly took full advantage of this. Our bowling again in the first hour was not great and presented easy runs to East Box Hill.

That said, we did not drop a catch, and kept grinding away.

Wickets started to fall and it seemed as though we were not being respected due to not having a full team.

We bowled East Box Hill out well inside 65 overs, a great result considering.

Special mention to DJ for his Pfeiffer, Mitch Clark debuting as a medium bowler, and also to Liam Lawton, a 16 year old playing his first ever game of cricket. Liam bowled 11 overs and took a wicket.

Thank you also to Darren Wharton and his son Michael who helped out in the field, also Frank the shopper from Forest Hill who just turned up to help.

Our batting unfortunately missed the mark and against two legend East Box Hill opener bowlers.

All Out for 57 in the 1st innings and forced to follow on.

Made a better fist of things in the 2nd innings finishing 8-136.

All in all not good enough

A great effort by DJ but am reluctant to award man Of The match when we have been beaten so convincingly.

Junior Coaches

Each team requires a cricket coach to provide group and 1-1 coaching and game development at practice times and mentoring, umpiring, on-field assistance on match days. This is a vital role that will help ensure our cricketers play to the best of their ability. All coaches should be Cricket Australia Level 1 certified and have Working With Children clearance. The Club will sponsor budding coaches on Level 1 training (1 day plus a few hours web based learning) and these sessions are taking place now.

Please let Darren or David know if you can help out.

PLEASE HELP IF YOU CAN

If anyone feels they can offer something to the junior club whether it be as a team manager, committee member, fund raiser, BBQ chef, scorer, coach or helper at training or on game day or otherwise please let us know. Team managers will be required for all junior teams.

Did You Know?

The share markets here and overseas have the greatest impact on your superannuation returns. It has been a trying year and some negative returns have been seen. But occasional bouts of negative returns are the price we have to pay for the higher returns growth assets provide over the time. Switching to cash may make sleeping at night easier when markets are falling, but it's likely to ensure lower long term returns. The key is to adopt an appropriate long term strategy and stick to it!
