

Nunawading Cricket Club - Round 10

Welcome to season 2011 to 2012

PRESIDENTS REPORT

President's Report

It seems like yesterday that we kicked off the 2011-2012 season with high expectations.

It also seems in the blink of an eye the last game for the regular season has arrived.

The 2nds, 3rds and One day sides all appear to have a Semi Final to play in the next fortnight.

While the 1sts and 4ths have recorded some very good wins, consistency in performance has seen both teams miss playing in the finals. While weather has impacted on a couple of results for our teams, when we were in winning positions, there were clearly games where we have not performed at our best as team across the board. As I look back over the 4ths season, I reflect on at least 2 games where we were in a winning situation and did not convert. Those wins would see us in the top four and also have the chance of chasing a flag. To see all purple and gold teams in finals would be great. To have no esky 11/22/33 would be even better.

I wish all teams the best of luck as we commence our final home and away game for the season.

For the players not participating in the Finals, please try and support the teams by joining the esky 22+1.

The past players day last weekend was a great afternoon. It was tremendous to see these players who have helped mould Nunawading's culture and success come back and enjoy a drink and share a story or 3. They also witnessed an amazing reverse outright by the 1sts and a convincing win by the 4ths.

Regards

Did You Know?

The share markets here and overseas have the greatest impact on your superannuation returns. It has been a trying year and some negative returns have been seen. But occasional bouts of negative returns are the price we have to pay for the higher returns growth assets provide over the time. Switching to cash may make sleeping at night easier when markets are falling, but it's likely to ensure lower long term returns. The key is to adopt an appropriate long term strategy and stick to it!

COACHING CORNER

BATTING - The Cut Shot.

The cut requires the batsman to make a cutting movement with his bat across the body. The shot is also known as 'the square cut' because the batsman stands perpendicular to the bowler's delivery of the ball. It is a particularly popular choice with left-handed batsmen because a right-hand bowler tends to cause the ball to angle slightly away from the batsman's body, making the cut easier to perform.

When played correctly, the cut enables the batsman to make an extremely powerful shot allowing him to gain a large number of runs, but it can be technically difficult to master. If hit too hard, there is a high chance that the ball will be caught by a close fielder.

Below are the three steps to a successful cut:

1. Move the back foot towards the stumps and across, to be in line with the bowler's delivery. Take the bat back across the shoulder whilst moving the front shoulder (that nearest the bowler) towards the 'off side'. The 'off side' is the right half of the pitch for a right-handed batsman and the left half of the pitch for the left-handed batsman.
2. Move the bat down and across the body, hitting the ball only once the arm is fully extended. The head should be kept still during the shot and the wrists rolled forward keeping the ball as close to the ground as possible to avoid being caught out.

Continue to move the arm across the front shoulder and behind the head. The front shoulder is the one opposite to the batting hand. The batsman's weight should be kept on the back foot during the follow through.

Playing our last game at home for the season it was important we had a win, winning the toss we elected to bowl and it proved a good decision.

We consistently took wickets all day having nuna c.c 9/99 before a last wicket partnership took the score to 147. Still a great effort by all bowlers and a score I would have taken at the start of the day to chase.

Unfortunately we again failed with the bat never looking like getting the mediocre score of 147 falling well short.

With what Nuna church of christ had witnessed they decided to go for 10 points, batting 17 overs for 7/84 the thought they had enough runs to roll us setting us 126 from the 31 overs remaining in the day. We did it easy with Dish and wiggle steering us to victory a great come back taking 6 points.

The most pleasing thing about this group that represents the club is the character to continue fighting and it was a well deserved win.

Match Reports - Third XI

Doncaster 89 & 4/69 lost to Nunawading 5/90 dec.

Derek Clark	5/8 off 11	Max	2/7 off 5	Braggsie	40
Braggsie	3/10 off 10				
Phil Lord	1/15 off 12				

The thirds need to keep winning and rely on others to lose to make the finals. We did our bit this week as we should have against a team even more junior than usual and included a promising junior female player. We didn't help our cause by dropping three catches and didn't take a wicket for around 20 overs. It sounds similar to how the twos went. The ball was thrown around till someone could come up with a breakthrough. Derek finally got someone out LBW. From that point on we held our catches and rolled them for 89. Derek ran through them to take 5 / 8. He also took a sharp catch that had been cleverly kicked his way by first slip. (it is a long way down at age 46 even if only 5'6!) . Phil kept it tight up the other end and Bragsy came on at the other end to clean up the tail. I have to apologize to Bragsy as in the scores update at the club I said that he had dismissed the young lady as one of his victims. This was incorrect. He did not dismiss her. In fact no one did.

It was a very slow outfield and I sent some big hitters and better runners in to see if we could slog that up in 7 overs. The ground was too slow and big. We came up with several scenarios to try to conjure an outright. The first option was to go at 5 - 6 an over and declare at tea. Every batsman did the right thing for the team and had a crack but it was too hard to force the issue. We declared once we passed them and then tried for the outright. Everyone got a bowl in the end as they shut up shop after losing a couple of early wickets to Max. It was a solid win. The results went our way with other game. If we are up to it we need to beat the bottom team and we will make the finals.

MoM was Derek and Bragsy

We went into this game with the idea that an outright win would keep our faint finals hope alive.

After winning the toss, we bowled and it was critical to bowl and field well. 0-26 soon became 5-57 on the back of some good bowling by Ken McNabb. All bowlers used bowled quite well, but the fielding was very, very good. 2 Run Outs (One Run Out was spectacular) and no dropped catches, saw us dismiss Blackburn South for 112 in the 37th over.

In reply we finished day one at 1-59 and we were all thinking maybe an outright is achievable.

Paddy Mitchell and Paul Bradley again demonstrated how you build a partnership and bat to a situation with another 100 plus partnership. It paved the way for other batsmen to be aggressive and chase quick runs. We declared at tea with a lead of 47 and were keen to repeat our efforts in the field from the 1st innings. Unfortunately the Blackburn South batsmen batted the overs away and our outright chance had disappeared. Some great positives this game. A total team effort in the field, followed up by very good top order batting. Had we not declared we would have posted a 200 plus score for the second game in a row.

Man of the Match was difficult

Ken McNabb 5 wickets

Paddy Mitchell 68, his 3rd half century in a row.
